GUJARAT INDUSTERIES POWER COMPANY LIMITED

General Manager (Finance) at Corporate Office, Vadodara

GIPCL is a Rs. 4000 crores asset based fast growing company in the power sector with its corporate headquarters at Vadodara and a total installed capacity of more than 1800 MW. The facilities are located at Vadodara, Khavda and near Surat in Gujarat. GIPCL is currently taking giant leap in the Renewable Energy Sector by 112.4 MW Wind Power Projects and 937 MW PV based Solar Power Projects at various locations in Gujarat."

We are looking for General Manager (Finance) to pilot and coordinate Finance Operations / Function at our Corporate Office, Vadodara

Position / Grade: General Manager (Finance) – E7 Grade

Qualification: A Graduate with professional qualification - Chartered Accountant / CMA.

Experience: Preferably 27 years of post-qualification hand on experience. The candidate should have experience to Oversee Accounting and financial aspects and plant accounting at Unit Level as well as consolidation at Corporate level. Overall responsible for Accounts, Finance, Budget, Audit, Taxation, Planning & MIS at unit level.

Age: Preferably not more than 50 years as on date of advertisement

Role Overview:

GM – Finance at Corporate will lead the Corporate Finance function, providing strategic financial leadership and ensuring robust financial planning, treasury management, project financing, accounting, budgeting, taxation, statutory compliance, and financial governance across the Company. The incumbent will play a pivotal role in supporting GIPCL's business expansion, including renewable energy, thermal, and other strategic projects, while ensuring effective financial controls, regulatory compliance, and timely decision-making. The role will also involve regular visits to SLPP and Renewable Energy project sites to review financial matters, strengthen financial controls, and ensure uniform implementation of corporate financial policies and procedures.

Key Responsibilities:

- Lead the Corporate Finance function and formulate financial strategies aligned with the Company's business objectives.
- Drive financial planning, budgeting, forecasting, and long-term financial modelling for existing operations and upcoming projects.
- Oversee treasury management, cash flow planning, working capital optimization, banking relationships, and fund mobilization.
- Lead project financing activities, including debt syndication, financial due diligence, lender coordination, and financial closure for new projects.
- Ensure timely finalization of accounts, preparation of financial statements, statutory audits, internal audits, and compliance with applicable Accounting Standards, Companies Act, SEBI requirements (where applicable), and taxation laws.
- Develop and strengthen financial controls, governance frameworks, risk management practices, and internal control systems across the organization.
- Monitor capital expenditure, project cost control, financial performance, and investment appraisal of ongoing and proposed projects.
- Coordinate with statutory authorities, financial institutions, auditors, Government agencies, and other stakeholders on financial matters.
- Support the Management and Board by providing strategic financial analysis, MIS, and decision-support information.
- Lead and mentor the Finance team, ensuring capability development, succession planning, and operational excellence.
- Undertake periodic visits to SLPP and Renewable Energy project locations to review financial operations, strengthen financial governance, and ensure consistent implementation of corporate financial policies and procedures.

Candidate Profile:

- Proven leadership experience in Corporate Finance within a large organization, preferably in the power, infrastructure, or manufacturing sector.
- Strong expertise in financial planning, treasury, project finance, accounting, budgeting, taxation, and statutory compliance.
- Sound knowledge of financial regulations, corporate governance, and stakeholder management.
- Strong analytical, leadership, communication, and decision-making skills.
- Willingness to undertake periodic travel to project locations.
- High integrity with the ability to lead and develop high-performing teams.

Remuneration: Pay includes attractive salary, PF, etc. Salary will not be a constraint for the right candidate and shall commensurate with the best in the field.

Candidates meeting the above criteria may please forward online application within 10 days of this advertisement. Please click the link **http://career.gipcl.com/job_vacancy** for online application.
